Of Interest to Farmers and Mechanics.

Farmers and mechanics frequently meet with slight accidents and injuries which cause them much annoyance and loss of time. A cut or bruise may be cured in about one-third the time usually required by applying Chamberlain's Liniment as soon as the injury is received. This liniment is also valuable for sprains, soreness of the muscles and rheumatic pains. There is no danger of blood poisoning resulting from an injury when Chamberlain's Liniment is applied before the parts become inflamed and swollen. For sale by all druggists.

Tell some deserving Rheumatic sufferer, that there is yet one simple way to relief. Get Dr. Shoop's book on Rheumatism and a free trial test. This book will make it entirely clear how Rheumatic pains are quickly killed by Dr. Shoop's Rheumatic Remedy—liquid or tablets. Send no money. The test is free. Surprise some disheartened sufferer by first getting for him the book from Dr. Shoop, Racine, Wis. All Dealers.

Wm. J. Roach, a Frisco engineer whose home was in Springfield for many years, died Wednesday afternoon at 3 o'clock in the Frisco hospital at St. Louis after a short illness from pneumonia contracted at Newburg. He was forty-eight years old. A wife and six children survive him. The deceased was a member of the Brotherhood of Locomotive Engineers, and also of the Knights of Columbus. The body was shipped to Springfield for interment.

In sickness, if a certain hidden nerve goes wrong, then the organ that this nerve controls will also surely fail. It may be a Stomach nerve, or it may have given strength and support to the Heart or Kidneys. It was Dr. Shoop that first pointed to this vital truth. Dr. Shoop's Restorative was not made to dose the Stomach nor to temporarily stimulate the Heart or Kidneys. That old-fashioned method is all wrong. Dr. Shoop's Restorative goes directly to these failing inside nerves. The remarkable success of this prescription demonstrates the wisdom of treating the actual cause of these failing organs. A simple five or ten days test will surely tell. Try it once, and see! Sold by all dealers.

Sues Man for Damages Who Bought His Wife

Portland, Ore., June 2.—John Braganza sold his wife to his neighbor, H. Ruddat, for \$150, with the consent of the woman, and a bill of sale was drawn up and signed by both parties to the transaction, reading as follows: "I have sold my wife to H. Ruddat for \$150. John Braganza."

Now Braganza has brought action against the purchaser of his wife for alienating her affections, and the legal lights are in somewhat of a tangle. The question of whether a wife can be regarded as a chattel can, of course, be easily answered, but whether a man can plead damages from the loss of a wife whom he sold is without precedent.
